Subject: potential dates to meet next?

Hi Polly - thanks for our chats earlier today. We all really appreciate your willingness to work together with us, as well as the ongoing exchange of information and all of your help in moving this process forward.

Thinking that advance planning might be advantageous, I queried the team's availability to meet over the next 3 weeks. If you can believe it, as it currently stands, the four of us (Kathy, myself, Maureen, and John) only have one full day's availability: Friday, September 17th.

I'm thinking that some smaller subgroup should meet b/hand: 3 weeks would seem too long given our goal of expediting negotiations. In the interim, though, would you like me to ask the team to reserve this date for a meeting in Denver (assuming it might work for folks on your end)? Just a thought.

As for something sooner - and we have additional availability if none of these work - but to have at least 3 of us at a meeting, best would be:

Tues Sept 7th 10:30 - 3:00p

Wed Sept 8th 9:15 - 1:00p

Frid Sept 10th 9:15 - 1:00p

Mond Sept 13th 8:00 - 3:00p

Do any of these work for you for a meeting? If not, let me know and we'll try again. Let's touch base early next week. Thanks, Polly.
